Study training cohort | spline_lr | death is the positive class
Norway OOF repeat 1: ROC
Sensitivity
False positive rate
Norway OOF repeat 1: precision–recall
Precision for deaths
Recall of deaths
Norway OOF repeat 1: calibration
Observed death proportion
Mean predicted death probability
Korea external test: ROC
Sensitivity
False positive rate
Korea external test: precision–recall
Precision for deaths
Recall of deaths
Korea external test: calibration
Observed death proportion
Mean predicted death probability
